TouchFree Enhanced Profile

Larger target area for hands improves user experience

- TouchFree reduces cross-contamination caused by the transfer of germs when touching manual dispensers.
- Powerful operation that is also quieter and faster
- More sensitive to motion, prevents unwanted dispensing
- Easy to read usage indicators - icon lights up green when foam is dispensed and red when batteries are low (4 c-size batteries included)
- Sleep mode after 30 minutes of non use – increases battery life

TouchFree Enhanced Profile

- 5.5" depth
