- Excellent for chemical-free only strip and scrub process - removes layers of finish without chemicals.
- Removes coatings from virtually any hard surface at 3,200 sq ft/hr - prep a small gym floor in 1 hour - saving time & labor costs.
- Rectangular pads scrub from edge to edge, including difficult corners missed by other machines.
- Dependable 1.5 hp motor is not affected by dust and moisture - provides a quiet and smooth operation.
- Six primary and eight secondary isolators completely eliminate vibration; resulting in less operator fatigue.
- Multi-position adjustable handle make operation easy for all personnel.
- Spring loaded pin set handle height adjustment that makes it easy to adjust and secure the handle.
- Large, eight inch non-marking wheels for effortless transport.
- Commercial, safety orange power cord; switch and ergonomic grips further extend and enhance value.
- Optional dust containment unit (# TH1011) - excellent for healthcare facilities and for markets with zero tolerance dust regulations.
- Proudly assembled in USA.
