

# Green Seal® Certified Products

Green Seal GS-41 Certification for Skin Cleansers ensures environmental compliance in these key areas:

- Performance - work as well as, or better than, other nationally branded products.
- Biodegradability - easily returns to a natural state in the environment.
- Toxicity - have low toxicity to organisms in nature.
- Contains no intentionally added carcinogenic ingredients.
- VOCs - meet regulations for limiting volatile organic compounds (VOCs).
