

PRO SERIES

FOAM ELIMINATOR

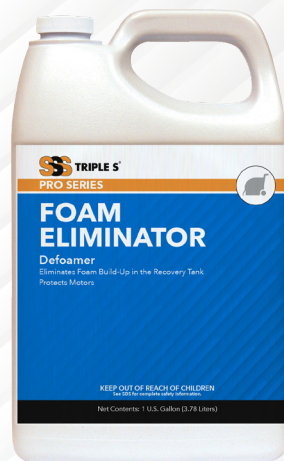

Defoamer

Eliminates foam in recovery tanks of extractors, automatic shampooing equipment, wet vacuums, and floor scrubbers. Protects motors from damaging foam build-up.

Eliminates Foam Build-Up in the Recovery Tank - Protects Motors

Directions

Shake before using. Add 2 to 4 ounces per gallon capacity of the recovery tank of extraction machines, wet vacuums and automatic scrubbers. For additional foam control, spray inside walls of recovery hose and recovery tank. Do not apply directly to floors.

Specs

Dilution: 1:16

pH Level: 6.5 - 8.0
