

ORANGE PLUS

HYDRO-CITRUS DEGREASER
CITRICO DESINTEGRADOR DE GRASA INDUSTRIAL

Technical Data

Areas of Use

A d-Limonene fortified formula with multiple uses at full strength and diluted.

- Remove adhesives & rubber marks
- Clean soot, ink, tar, soap film
- Remove petroleum grease and oil
- Safe to use on metal surfaces
- Clean cooking grease & food soils
- Clean/deodorize kitchen disposals
- Safe for all washable surfaces
- Use in kitchens, garages, factories, auto repair shops, supermarkets

Specifications

Available Sizes	4/1G, 5G, 55G
Physical State	Liquid
Color	Orange
Fragrance	Citrus
Foaming	Low-Moderate
Free Rinsing	Yes
Petroleum Distillates	None
Viscosity	Thin
Phosphates	None
Specific Gravity	1.00
pH (undiluted)	12.0

HMIS Hazard Rating

Health	1
Flammability	0
Reactivity	0
Personal Protection	A

What the Pros Know

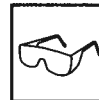

Many benefits are gained by using d-Limonene in a cleaning-degreasing formulation. It biodegrades faster. It will dissolve a wide variety of oils, fats, and greases. It naturally deodorizes organic malodors. It is easily rinsable if desired.

- Organic citrus solvent - Emulsifies grease, grime, and adhesives rapidly
- Water-based, dilutable - Many cleaning applications
- Fresh citrus fragrance - Deodorizes as it cleans
- Free-rinsing - Use on any surface not harmed by water
- No harmful ingredients - Environmentally and user friendly
- d-Limonene enhanced - Improved grease removal

Natural citrus solvent d-Limonene, one of nature's strongest cleaners, is coupled with detergents and emulsifiers to create this aggressive and versatile cleaner-degreaser. This concentrated cleaner provides rapid penetration and removal of heavy or tenacious soils. It can be used in a wide variety of cleaning applications to remove organic and inorganic soils from virtually any washable surface. Diluted properly this product is not harmful to metals, aluminum or glass.

Directions

Wear safety equipment recommended on MSDS, read all directions and cautions prior to beginning your work.

Full Strength: Extremely heavy accumulations of greasy, oily soil, soot, carbon, etc.

Dilute 1:1 (mix equally with water): White walls, vinyl tops, motors, barbecues, stoves, ovens, laundry booster, upholstery spotter (always test first for color fastness), sporting equipment, sinks, floors, bathrooms, patio furniture, garden equipment, etc.

Dilute 1:10 (12 ounces per gallon of water): To clean concrete and tile floors.

Dilute 1:20 (6 ounces per gallon of water): Spray and wipe solution for counter tops, appliances, stainless steel, walls & woodwork, appliances, etc.

Dilute 1:64 (2 ounces per gallon of water): Car and truck wash.

Dilute 1:256 (1/2 ounces per gallon of water): Glass and window cleaner.
