ProSpec HD101/DC Single Motor Upright Vacuums

Cord-wrap hooks store 50 ft (15 m) cord conveniently

Top-fill bag won't rob vacuum power. Can be used as a re-usable cloth bag or with a disposable paper bag

Dial-A-Nap™ knob makes it fast and simple to adjust to any carpet type

Clear, non-marking wrap-around vinyl bumper protects furniture and walls

Chrome-plated handle with textured grip has three positions for operator comfort

Vinyl patches on bag protect wear spots

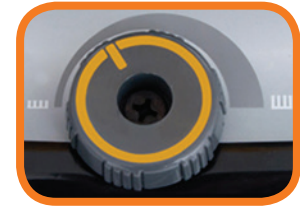

Chrome-plated steel on/off switch stands up to years of heavy use

Large outboard wheels roll easily over any carpet

Dual side-suction ports provide efficient edge cleaning

Clear fan cover provides visibility to any blockage

Quick dial pile carpet height adjustment knob

These budget-friendly upright vacuums are a reliable choice for general vacuuming. Heavy duty long-life 7-amp motors provide all of the power and pickup for daily use. The units are designed for dependability, ease of use, and low cost serviceability. Both units feature a steel, dual row brush roller for extended reliability; a long 50 foot power cord for improved user productivity, and six carpet height adjustments to accommodate low-pile commercial carpet to more plush carpet.

The lifetime impeller fan constructed of ultra-durable plastic for extended reliability and reduced cost of ownership is available on both units. If the impeller fan breaks, it is covered under the warranty. A clear fan cover provides visibility to any object that may be blocking the vacuum intake.

The models are excellent for building service contractors, hotels, education, food service, and government facilities.

- 7-amp Motor
- Easy to Maneuver
- Enhanced Productivity
- Low Profile; Powerful Suction
- 6 Height Adjustments
- Low Maintenance Costs
- Non-Marking; Wrap Around Bumper
- Dirt Cup (DC) Model Available
- Dual Purpose cloth shake-out bag with zipper can easily be converted to a paper bag filtration system (Paper bags sold separately)
