Micro Scrubber

Panther 15B Micro Scrubber

The fold-down handle provides easy, convenient storage

Fingertip operation

- Cordless and compact – the battery operation and low profile design allow you to clean in tight, hard-to-reach areas with ease.
- Productive – the scrubber sprays solution down, agitates soil from floors, and vacuums the floor dry in one quick pass.
- Simple to operate with fingertip controls and the ability to empty and fill easily with the lift-off recovery tank.
- Unit comes complete with batteries, onboard battery charger, auxiliary charging cable, and brush.
- 20" parabolic squeegee for thorough solution pick-up.
- 3.5-gallon solution and recovery tanks provide the needed capacity to get the job done.
- 44.5 pounds of brush/pad pressure loosen soil and debris from floor for removal.
- Floors are left clean, dry, and ready for traffic vs. a mop and bucket system.
- Anyone can comfortably operate the scrubber with its simple controls and sleek design.
