## Dilution Control System

### Product Description

Compass multi-purpose neutral cleaner is formulated to meet strict environmentally preferable requirements without sacrificing performance. It is also an effective odor neutralizer against the toughest malodors in grease traps, drains and disposals. It can be used in a mop and bucket, auto scrubber and pressure washer application. It is effective against both oil and water based soils and leaves no sticky or soapy residue to attract soils. The low odor feature of this product makes it a pleasant product to use.

Compass Multi-Purpose Cleaner is a **UL environmentally preferable product.**

### Why It's A Better Cleaner

- Floral fragrance - Desirable to use
- Multi-purpose - Varied applications
- Non filming - Leaves no sticky residue
- Concentrated formula - Economical to use
- Cold water effective - Energy savings

### How It Cleans

This product is formulated to work effectively with cold water. Cold water is recommended to help save energy used to heat water.

1. Dispense precisely diluted multi-purpose cleaner degreaser into an empty and properly labeled Navigator RTU #24 Compass Multi-Purpose Cleaner container.

2. Apply solution to surface to be cleaned.  
3. Allow this product time to penetrate and disperse the soil and contaminant.

4. Scrubbing with a sponge, cloth, pad or brush may speed up the cleaning action.

5. Once soils are loosened simply wipe or wash away with a cloth or water. No rinsing is necessary.

### Navigator Dispensers

## COMPASS MULTI-PURPOSE CLEANER

### Where It Cleans

Compass Multi-Purpose Cleaner can be used in any facility where an environmentally preferred product is desired for floors, walls, counter tops, cabinets, painted surfaces, glazed porcelain, stainless steel, vent hoods, food service areas, enameled metal, terrazzo, granite, concrete, ceramic tile and high traffic areas. It is also an effective product against undesirable odors in restrooms, locker rooms and institutional kitchens. The low odor qualities of this product makes it a most desirable product for health care facilities.

### Technical Data

Packaging (concentrate)	2/2 Liters per case
Product Number	13216
Dilution	1:335
Concentrate pH	6.7
Physical State	Liquid
Color	Clear Orange
Odor	Floral
RTU pH	7.0-8.0
VOC's	< 1%
Foam Level	Low
Freeze/Thaw Stability	Excellent
Solubility in Water	Complete
RTU Quart Yield	708 Quarts per refill
RTU Gallon Yield	177 Gallons per refill

NAVIGATOR 2-Liter bottles are designed to be used in the NAVIGATOR Dilution Control System.
