

SSS PORTABLE HAND HYGIENE DISPENSING STAND

Hand hygiene is the #1 way to prevent the spread of COVID and other viruses. Portable stands let your customers put hand sanitizer wherever it is needed most. Excellent for high traffic areas, lobbies, and entrance ways. Durable, 48" powder-coated gloss white stand, commercial grade quality with universal mounting plate for automatic dispensers. Wide sturdy base prevents stand from getting knocked over easily. Easy to clean and scratch resistant.
