

Panther 26T1

Large Area Automatic Scrubber

User Friendly... Excellent Efficiency... Reliable

Panther 26T1

Large Area Automatic Scrubber

Intuitive control panel with LCD screen comes standard.

Large opening recovery tank and standard debris tray for quick and thorough clean up.

The Panther 26T1 walk-behind scrubber prioritizes smart performance, simple design, and user-friendly operation for cleaning medium to large sized areas. It's equipped with dual brush for fast, effective cleaning.

Key features include:

- Eco mode greatly extends battery run time for greater productivity.
- Silent mode allows for cleaning in noise sensitive areas and is ideal for daytime cleaning.
- Traction drive for increased productivity while reducing operator fatigue.
- Designed for quick and convenient tools free daily maintenance requirements.
- 3 adjustable brush pressure settings
- 4 solution flow settings
- Solution filling port with filter protection
- Standard debris tray
- Non-marking black wheels

Where to use:

- Schools
- Office spaces
- Malls
- Light industry
