Physical State.....	Liquid
Color.....	Blue
Odor.....	Characteristic
Flammable.....	Yes
Free Rinsing.....	Yes
Petroleum Distillates.....	None
Specific Gravity.....	0.99
pH (undiluted).....	10.0 to 11.0
Storage/Stability.....	2 years

HMIS Hazardous Materials I.D. System

Health.....	1
Flammability.....	3
Reactivity.....	0
Personal Protection.....	A

What the Pros Know

The non-ammoniated blend of this glass cleaner will dissolve greasy, oily soils for easy removal. Alcohol moderates the drying time and provides a streak-free surface when polishing dry.

- Multi-surface cleaner - Use on glass, plexiglass, chrome, plastic & more
- Institutional strength - Removes smudge & Greasy fingerprints
- Controlled evaporation - No streaks, no film
- Non-ammoniated blend - Works in low temperatures
- Ready to use - Convenient, no mixing required

This heavy duty glass and surface cleaner is designed to be especially efficient against oily or greasy soils. A unique surfactant system will react with grease and oils to facilitate soil removal. This non-ammoniated glass cleaner will dry fast and will not leave streaks. It is ideal for use in restaurants, cafeterias, institutional kitchens and industrial facilities.

Directions

Wear safety equipment recommended on SDS, read all directions and cautions prior to beginning your work.

This cleaner is ready to use. Spray on, wipe clean and polish dry with a clean, dry, lint free cloth.

TO CLEAN LIGHTLY SOILED SURFACES: Dilute 1:2 (64 ounces per gallon of water) into a clean bucket.

Apply with the sponge side of squeegee; squeegee or wipe dry.

Always remove non-containerized food prior to cleaning.
