

PRO SERIES

ERADIC8 Urine Cleaner and Deodorizer

Specially formulated to attack uric acid and organic soil odors in the restroom and other commercial areas. Eliminates odor quickly with non-pathogenic bacteria. Can be used on hard surfaces, carpet and upholstery. This non-acid, non-caustic product is ideally used for commercial restroom cleaning or healthcare facility maintenance.

Directions

- Remove as much soil as possible from surface prior to application.
- Pre-test on surface in an inconspicuous area.
- Spray area where odor is originating, including urinals, toilets, carpets, floor and wall areas.
- Wipe area to remove any excess product remaining on surfaces.
- Product may also be effective mopped on floor areas and around washroom fixtures.
- Allow to remain and dry on the surface.
- Can also be diluted in mop water up to 3 oz. per gallon to provide excellent odor counteraction.

Features

- Cleans and Deodorizes
- Eliminates Odor Problems at the Source
