

## BRIGHT FORCE

# COLOR SAFE DESTAINER

SSS Bright Force Color Safe Destainer is a hydrogen peroxide-based liquid formula designed to remove stains and improve the whiteness and brightness of fabrics and fibers. This peroxide-based destainer oxidizes the stain, boosts the cleaning power and removes difficult stains without degrading whites or colorfast fabrics.

### Directions

Approved for use with automated dispensing equipment only.

1. Fabric should be sorted by soil load, fabric type and fabric color.
2. For Automated Dilution Systems: Choose proper wash cycle formula based on care instructions, fabric type and soil level.
3. Follow machine loading procedures, do not over or under-load.
4. For Automated Dilution Systems: Add SSS Bright Force Color Safe Destainer after the initial wash bath.

### Features

- Versatile Hydrogen Peroxide-Based Formula
- Whitens & Brightens Fabrics
- Helps Remove the Toughest of Stains

### Recommended For

- Ideal for Use On White & Dyed Fabrics
