

BRIGHT FORCE

ENZYME DETERGENT

SSS Bright Force Enzyme Detergent is a premium blend of high-performance surfactants and fast-acting enzymes that rapidly break down and remove stubborn stains and soils.

Directions

Approved for use with both automated dispensing and top loading laundry processing equipment.

1. Fabric should be sorted by soil load, fabric type and fabric color.
2. Pre-treat with SSS Blitz Extreme Power Cleaner Spray when stains are present.
3. For Automated Dilution Systems: Choose proper wash cycle formula based on care instructions, fabric type and soil level.
4. Follow machine loading procedures, do not over or under-load.
5. For Automated Dilution Systems: Add SSS Bright Force Enzyme Detergent during the wash cycle.
