

TRIPLE S®

## PRO SERIES

# ENZYMATIC Odor Eliminator and Drain Maintainer

Fast-acting drain maintainer contains live non-pathogenic bacteria that digest grease and other organic waste to keep drains flowing. Digests organic waste that causes clogged or slow drains. Keeps drains smelling fresh and clean.

### Directions

For drains, wash basins, septic tanks, garbage disposals, dumpsters and grease traps, use 8 oz. - 40 oz. daily to deodorize and aid in digestion.

- Larger tanks, drains and traps may require larger daily treatments.
- This product can be applied directly to soiled surfaces using a trigger sprayer or pump up sprayer.
- Excess product should be wiped or rinsed.
- Can also be diluted in mop water up to 3 oz. per gallon to provide excellent odor counteraction.

### Features

- Live Bacteria Digests Grease and Organic Waste
- No Solvents
- Cleans and Deodorizes by Consuming Uric Acid and Other Malodors
