TRIPLE

Carpet Cleaner/Deodorizer and Hard Non-Porous Surface Disinfectant

This product cleans and deodorizes the carpet. It can be used in industrial and institutional areas such as motels, hotels chains, nursing homes and hospitals. This product neutralizes musty odors and tough odors from smoke, pet accidents, and spills on contact. This product is specially formulated to effectively eliminate offensive odors caused by mold and mildew. Can be used on hard non-porous surfaces as well as carpets.

Disinfectant - Deodorizer - Cleaner

Directions

Read all directions and cautions on the label prior to using. Consult the SDS for recommended personal protection equipment.

CARPET CLEANING/DEODORIZING (Not for use in CA.) FOR HOME, INSTITUTIONAL, INDUSTRIAL AND HOSPITAL USE:

Vacuum carpet thoroughly prior to application.

Mix 2 oz. of this product per gal. of water. Follow the injection and/or extraction procedures as specified for any conventional steam cleaning equipment you are using. For rotary floor machines, mix 2 oz. of this product per gal. of water and spray on carpet at a rate of 300-500 sq. ft. per gal.

For use on washable synthetic fibers. Do not use on wool. Test color fastness of carpet before use. Apply diluted product to a small concealed spot, then rub with a clean white cloth. If color changes or transfers to the cloth, a water-based product must not be used.

TEAM PLEASCENT CLEAN

After using the product, set carpet pile in one direction with a stiff brush. Place aluminum foil under the legs of furniture while carpet is drying. Over-wetting can cause carpet to shrink. Manufacturer assumes no responsibility for over-wetting misuse.

Note: This product must not be mixed with other cleaning products.
